

The BBBCA supports and promotes our local business community through our website, social media, business development initiatives and events. Due to the challenges of the COVID epidemic, we have waived business membership dues for remainder of 2020 and hope that all 100 BB businesses will join.

In support of our small businesses, we will implement a Bradley Beach Small Business Shop Local Campaign starting in mid June.

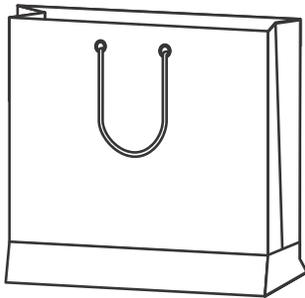

Shop Local

Support local. Love local

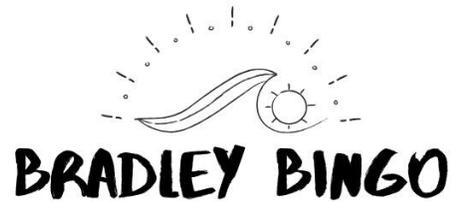

Member to Member Discounts

BBBCA Resident members will receive a membership card and be offered discounts from BBBCA Business members.

Stronger Together Carry Bag

The BBBCA will sell a special bag (gift to resident members) as a fundraiser to promote local business and raise a local business relief fund.

Every BB resident will be able to play Bradley Bingo, with cards featuring all BB Business members. Visits to stores will count on the bingo card and a monthly drawing with prizes will occur at end of June, July, and August

Every BB retail and restaurant business member will identify opportunities to support resident shopping on Thursdays, which the Alliance will promote.
